

BIOGRAPHY & COVER LETTER.

ROY MUNENE KIRIMI

P.O 1869-60200 Meru, Kenya • +254 724200534 • roymunene@rocketmail.com

I am excited to express my interest in the mentioned position within your esteemed organization. I hold a Bachelor of Science in Agribusiness Management from Chuka University and am currently pursuing a Master of Science in Agribusiness Management and Trade at Kenyatta University. My diverse academic qualifications are complemented by certifications in Sustainable Development in Business and Farming God's Way, equipping me with a robust foundation to excel in corporate governance, monitoring and evaluation, and human resource roles.

In my role as a Monitoring and Evaluation Officer with USAID-KHCP, I oversaw data collection, analysis, and reporting, ensuring that projects met their intended goals. My efforts included linking farmers to markets, managing resources efficiently, and preparing detailed reports to guide strategic decision-making.

During my tenure as a Project Manager at the Methodist Church in Kenya, I demonstrated strong corporate governance skills, managing budgets, writing proposals, and fostering partnerships. My ability to lead diverse teams, organize training sessions, and promote innovative farming technologies highlights my capacity for effective leadership and stakeholder engagement.

Currently, as an Agribusiness Consultant at Farmers Coin, I mentor clients on business planning, strategy, financial management, and marketing. This role has strengthened my human resource expertise, particularly in policy development, training program design, and capacity building.

I am confident that my academic background, professional experience, and passion for empowering communities align with the goals of your organization. I look forward to the opportunity to contribute my skills and help advance your mission.

Thank you for considering my application. I welcome the chance to discuss how I can add value to your tea
