## Experience

### Content Writer

Eat My News  
05/2020 – Present

#### Some of my articles:

[A Deep Look Into Mathematics in the Real World.](#)

[Electronics: Your Next Best Friend.](#)

[How Do Robots Affect Our Lives?](#)

[How You Can Become a Better Version Of Yourself.](#)

### Content Creator

Pharm Pedia  
04/2020 – 08/2020

#### Some of my designs:

[Design 1](#): A sample design: Good Morning! I designed it as a start for our morning sessions.

[Design 2](#): A design shows the difference between the person who manages his time to do useful things in the quarantine and the person who wastes his time.

[Design 3](#): A motivation for our targets to make them interested in tomorrow's video.

### Teacher Assistant

Alexandria STEM School  
03/2019 – Present

#### My role includes:

- Teach my friends different concepts in math and physics.
- Giving them helpful materials, which I have collected from many sources.
- Doing presentations in front of my class or one-to-one classes at the school's campus.

### Capstone (Research Project)

Alexandria STEM School  
09/2018 – Present

Every semester, the Egyptian ministry of education provides us with information about one of the challenges that face Egypt, and we have to
